

Kevin Wagner: Recommendation Requirements

1. Two or more classes with me.
2. A minimum of a B+ average.
3. A least two conferences with me during the course of your studies.
4. A maximum of 3 letters.
5. At least 4 weeks prior to the letter deadline.

Assuming you meet the above requirements, you need to send me a one page essay on your academic career and highlights along with your ambitions and reasons for trying to enter the program to which you are applying.

Please note that I write honest letters, and will give my honest opinion of your performance. If your performance in my classes has not been exemplary, you are best served by asking a different faculty member.
